REFERENCES

CLIENT

PROJECT

- Fiera di Bergamo

Fabrication & installation of nr. 2 fair pavilions, span 50m , lenght 130m;

+ accessory steelworks for mail building – Bergamo - Italy;

- Barilla G. e R. Fratelli S.p.A.

Design, fabrication & installation of semolina storage tower – Marcianise – Italy;

Design, fabrication & installation of semolina storage tower – Pedrignano – Italy;

Design, fabrication & installation of semolina storage tower – Foggia – Italy;

- Barilla America NY Inc.

Design, fabrication & installation of semolina storage tower + rail shed – Avon – USA;

- Giuseppe Citterio Salumificio S.p.A.

Fabrication & installation of steelwork for industrial building floor & stairs – S.Stefano Ticino – Italy

- Rovagnati S.p.A.

Design, fabrication & installation of steel structure for industrial building and office building -

Biassono – Italy;

- Pastificio Rana S.p.A.

Fabrication & installation of steel structure for industrial building – S. Giovanni Lupatoto – Italy;

- Grandi & Gabana S.p.A.

Fabrication & installation of steelwork for industrial building – Pocenìa – Italy;

CLIENT

PROJECT

- **Fornace Laterizi Danesi S.p.A.**

Design fabrication & installation of 2 large canopies for open clay storage – Capriano al Colle & Soncino (CR) - Italy;

- **Impresa Mantelli 1948 S.r.l.**
(General Contractor)

Fabrication & installation of steelwork for lift cage – S.Martino Hospital – Genova – Italy;

- **Immobiliare Europea S.p.A.**

Fabrication & installation of steel columns for Shopping Mall – Monza – Italy;

- **Metalluminio S.p.A.**

Fabrication & installation of steelwork for canopies and rack for colis storage – Cardano al Campo (VA) - Italy;

- **PRO.EDIL S.r.l.** (General Contractor)

Fabrication & installation of steelwork for to reinforce precast concrete slabs for shopping mall Auchan – Cinisello Balsamo (MI) - Italy;

Fabrication & installation of steelwork for multi level car cladding for shopping mall Dechatlon Cinisello Balsamo (MI) - Italy;

- **Regina del Mare S.r.l.**

Fabrication & installation of steelwork to restructuring building complex, ex Hotel Regina del Mare – Ospedaletti (IM) - Italy;

- **La Forma del Tempo S.r.l.**

Design, fabrication & installation of Jewellery showroom – Grumello del Monte (BG) – Italy;

CLIENT

PROJECT

- Arici F.lli S.r.l. (General Contractor)

Fabrication & installation of steelwork for industrial building for Alicarni – Gussago (BS) – Italy;

- Agroittica acqua & sole S.p.A.

Design, fabrication & installation of industrial building – Cervesina (PV) – Italy;

- Progress Holding (General Contractor)

Design, fabrication & installation of logistics building + Office building on 5 floor for Santini Group – Cortaccia (BZ) - Italy;

- Brianza Salumi S.p.A.

Fabrication & installation of steelwork for industrial building floor & facades – Sirone (LC) – Italy;

- Antica Fornaca Villa di Chiesa S.r.l.

Design, fabrication & installation of Industrial building – Bolotana (NU) – Italy;

- Lucien Montant SA

Design, fabrication & installation of logistics building (4.800 sqm) + Office building on 3 floor (2.600 sqm) – Satigny (GE) – Swiss;

- Remazel Engineering S.p.A.

Design, fabrication & installation of industrial building (1.250 sqm) + Office building on 3 floor (2.300 sqm) – Chiuduno (BG) – Italy;

CLIENT

PROJECT

- Eurochef Italia S.r.l.

Design + on site supervision of industrial building (1.250 sqm) + Office building on 3 floor (2.300 sqm) – Sommacampagna (VR) – Italy;

- Impresa Percassi (General Contractor)

Design, fabrication & installation of dehor Armani Cafè – Milano – Italy;

- Rubinetterie Bresciane Bonomi S.p.A.

Design + on site supervision of industrial building (16.000 sqm) – Gussago (BS) – Italy;

- Pedrali S.p.A.

Design, fabrication & installation of bow-window, stairs, footbridge and miscellaneous for office building – Mornico (BG) – Italy;

- Sidertam S.p.A.

CLIENT

PROJECT

- **Brambati S.p.A.**

Design, fabrication & installation of silos tower for Esselunga – Parma – Italy;

Design, fabrication and erection supervision of coffee storage building + silos for Lavazza - Gattinara (VC) – Italy;

- **Logo Engineering S.r.l.** (E.P.C.)

Design for Clinker shed (2.520 sqm. h. max. 20,3 m) + Additives shed (1.840 sqm. h. max. 14 m) for Cimentos do Beira – Beira – Mozambique;

Design for belt conveyor support structure – RAK – UAE;

- **Eltech S.r.l.**

Design for stairs, footbridge and steel decks under cement silos for Lafarge – M'Sila – Algeria;

- **Uhde (Thailand) Ltd**

Design for plant esterification for Emery Aekyung – Thailand;

- **Inventa Technologies Pte. Ltd**

Design & fabrication of deck for reactors for Oxyteno SA – Mexico;

Design & fabrication of deck for reactors for Sabo S.p.A. – Levate – Italy;

- **Società Nuovo Ponte S.r.l.**

Design, fabrication & installation of road bridge – Framura (SP) – Italy;

- **Comeca S.p.A.**

Design & fabrication of metal Furnace building (1.900 t) – Benja Luka - Bosnia;

- **MRS Investment L.t.d.**

Design & fabrication of hangar for haircrafts (60x40 m, h. max. 16,0m) – Lagos - Nigeria;

CLIENT

PROJECT

- MRS Investment L.t.d.

Design & fabrication for warehouse (82x25 m, h. max. 9,5 m) – Lagos - Nigeria;

Design & fabrication for lift shaft – Lagos - Nigeria;

Design & fabrication for pumphouse (37,7x11,6 m, h. max. 9,8) – Lagos - Nigeria;

- Cimentos de Beira LDA

Fabrication of metal structures, facade and roof in sandwich panels and miscellaneous for nr° 4 buildings – Beira – Mozambique;

- Remazel Engineering

Design for thermal power plant (12.500 t) and fabrication of 4.500 t in six months Beni Suef, Egypt;

- Iscom S.p.A

Design and fabrication steel structures for Mactan-Cebu International Airport Philippines;
